Advanced Ozone, Stem Cells, and the Connection to *Live to Be 139!*

Friday, May 17 – 6:00pm Welcome Dinner
NO HOST Dinner for Early Arrivers

Saturday, May 18 – 9:00am–5:00pm

Class begins at 9:00am

Sunday, May 19 – 9:00am–4:00pm

Class begins at 9:00am

- Ozone presentation for staff & patients
- How it connects to Live to Be 139
- Review 57-point ortho-neuro exam in 4 minutes
- Extensive training on Biologic Allograft (Stem Cells)
- Neurotherapy: Adrenal resets, lumbar resets
- Documentation
- Hands-on practice
 - Ozone injection sites
 - Protocols & mixtures
 - Jumpstart IVs
- HRS overview with videos by HRS Instructors
 - Dr. Brenden Cochran, Dr. Carmen Mora, Dr. Erik Lundquist – classes they offer
- Learn how to implement Live to Be 139

Attendees will have the opportunity to be treated with BAs in class, on a limited basis:

- Some injections
- C-shots; any doc can learn to treat yourself and family
 - 1cc Biologic Allograft \$900
 - 2cc Biologic Allograft \$1700

This outline is meant to give you a general idea of what to expect, however we customize each class based on the needs/goals of doctors that register.

Prerequisite to Attend:

- Must have minimum experience of 500 injections

Cost is only \$900.00

This advanced class is only* for practitioners that have attended an HRS seminar in the past 2 years.

*If you have not attended an HRS seminar in the past 2 years but you are currently using ozone in your practice and you have attended a seminar with Brimhall/Harris and wish to expand your services, call us to see if you qualify.
